### **Performance Management Introduction**

The performance management program at Virginia Tech is used to help define and evaluate performance expectations. This program covers all University and Classified Staff. In addition, there are some areas of the university that use the program for AP faculty. The annual performance review period runs from November through October, in concordance with the State fiscal cycle. The following provides a brief description of the performance cycle.

- November begins the plan year with the review and implementation of the plan goals, competencies and career goals. Throughout the year, the plan can be modified and enhanced according to ongoing projects, performance adjustments, coaching and feedback.
- In August (may be earlier or later depending on the department), the supervisor requests employee input on overall job performance. This is the time for the employee to complete their self-evaluation based on the plan year goals. Once the self-evaluation is complete, the supervisor can begin their review of the employee. The supervisor completes their draft of the evaluation and sends it to the reviewer by the beginning of September.

Note: There may be variations in the timeline depending on your senior management area.

- Once the reviewer is satisfied with the evaluation, they submit it to the Budget Authority. Depending on management, the evaluation is either forwarded directly to the supervisor so that it can be communicated to the employee; or a senior management group may review the evaluations prior to releasing them to the supervisors for communication.
- The supervisor schedules a meeting with the employee to discuss the finalized employee evaluation before releasing the electronic copy to them.
- The supervisor and the employee should discuss the final evaluation no later than the end of October.
- The plan process begins again in November.

*If there are any questions or if you require assistance with the performance management tool, please contact University Employee Relations: Rodney Irvin (540-231-5303), Vickie Mitchell (540-231-2850), or Tina Kapalin (540-231-4272).*

# **Performance Management Definitions**

**Performance Goals and/or Job Responsibilities** involves establishing specific, measurable objectives (outcomes) to be accomplished within a specific time frame and/or using a specific approach. These objectives can be a mixture of short- and long-term, innovative and routine, but should all be aligned to the college/department's goals and strategy along with providing a clear link to everyone's success.

<u>Goal Theory</u> setting suggests that it can serve as an effective tool for making progress by ensuring that participants have a clear awareness of what they must do to achieve or help achieve an objective.

<u>Goal setting</u> helps employees focus on specific aspects of their job that are related to the objectives for that review period.

When setting goals, you should ensure the goals are SMART:

- **Specific:** You are clear on what is meant by the goal. *Ask:* What do you want to achieve and why? What are the requirements/constraints? Who is involved?
- Measurable: You know when it has been achieved and how achievement will be measured. Ask: How do you track progress and measure the outcome? How will you know when you have reached it?
- Achievable: The goal is within your capability with available resources. *Ask:* How will you accomplish the goal? Is it realistic?
- **Relevant:** The goal is reasonable, reflects departmental goals, and is results-based. *Ask:* Is this a worthwhile goal? What is the expected impact? Does it align with our organizational goals?
- Timebound: You know the deadline for the goal. Ask: When will you accomplish this goal?

**Competencies** behaviors, attributes or skills that are predictors of personal success in the workplace.

There are three universal competencies that have been pre-defined for all staff employees. They include:

- Teamwork
- Maintaining a Safe and Secure Work Environment
- Diversity Commitment

There are two additional competencies that are preselected for supervisors. They include:

- Engagement
- People Development

The job specific competencies are unique to each employee. Three to five job specific competencies should be selected. The selected competencies reflect how your work should be carried out and may be areas of specific focus for your job. It is essential and highly recommended to meet frequently throughout the year to deliver competency feedback. Waiting until the yearly evaluation time causes a disservice to the employee and the department, especially when there is unsatisfactory performance or other issues that negatively affect engagement.

**Career Development** is often overlooked during the performance planning and review process. This is an opportunity for the employee and supervisor to discuss future plans in terms of professional development. If, for example, an employee wishes to move into a supervisory role in the next two years, then part of their career development plan may be to complete the supervisory skills workshops offered through University Organizational and Professional Development. In this case, the supervisor would be responsible for providing the funds to cover the cost of the program.

Remember that the career development plan is looking beyond the current performance review period towards acquiring skills for future opportunities. Training and other skills acquisition that is necessary for the employee's current role should be included in the goals section of the performance plan.

# Hint: Don't wait until evaluation time to provide feedback!

Frequent collaborative meetings, including open conversations about goals, development plans, and performance, will keep employee and departmental plans on track and allow the yearly evaluation process to run smoothly without any surprises or upsets.

### Next Steps

If **Send back to Employee for input** is selected, the employee will be able to edit the performance plan and return it back to the supervisor for approval or further modifications. The employee will receive an email to let them know that a performance plan is available for them to review. These steps can be repeated as many times as it takes to be satisfied with the plan.

A designee at any time can check the status of the performance review to make sure that the plan is finalized within the appropriate time frame.

### Check the Status of a Performance Plan

- 1. Log into https://login.vt.edu/profile/cas/login?execution=e1s1
- 2. Click on Hokie Team.
- 3. Click on **Performance Planning and Evaluation Tool**.
- 4. Click on **Performance Plan Menu**.
- 5. Click on List Employees Where I am Defined as the Designee.

Employees Where I am Defined as the Designee

Employee Position Number	Employee Name	Plan Status	Plan Year	Alternative Employee Signoff	View Plan	View History
PBT007	Doo, Scooby D	Supervisor editing	2012		View Plan	View History
PBT008	Fisher, Stephen D	Employee reviewing	2012		View Plan	View History
PBT010	O'Hara, Virgina A	Employee approved	2012		View Plan	View History

- After the employee has reviewed the plan and provided input, the status will change to **Supervisor editing**.
- Both the supervisor and designee can now view the plan and select **Finalize** and **Send to Reviewer** or **Finalize and Send to Employee**. If a plan is sent to a reviewer, then the person designated as the reviewer will be able to look at the plan and provide feedback.
- When the plan is finalized and sent to the employee, the status will change to **Supervisor Approved.**
- The employee will be able to view the final plan and acknowledge receipt of it. The status will then change to **Employee Approved**.

If **Send to Reviewer** is selected, the reviewer will go over the performance plan and, can either send it back to the supervisor for modifications, or they may approve the plan. Once the plan is approved, the employee will need to log into the performance system to acknowledge receipt of the performance plan. If the employee cannot log into the system, a paper copy may be printed and signed. The supervisor or designee will then need to enter an **Alternate Employee Signoff**.

Please refer to pages 25 and 26 for performance plan status definitions.

### Alternative Employee Signoff

If the employee reviewed the performance plan and approved a paper copy, or if the employee refused to sign a paper copy, then the designee has the option to submit an **Alternative Employee Signoff.** 

- From the Performance Plan menu select List of Employees Where I am Defined as the Designee.
- 2. Click on **Enter alternative signoff**. This option will only appear once either the supervisor or reviewer has finalized the plan and forward it to the employee.
- 3. Choose one of these options and click on the **Submit** button:
  - Employee reviewed and approved a paper copy
  - Employee refused to sign a paper copy

### **Editing Evaluations**

The purpose of an evaluation is to document how well an employee has met the expectations defined in the performance plan. During this process, the employee has an opportunity to perform a selfevaluation. The self-evaluation can be completed online through the performance management system or through the use other forms such as the Employee Work Profile Performance Plan and Evaluation (P112). The self-evaluation is used to document accomplishments as related to each performance goal/job responsibility and competency and allows an employee to summarize career development activities.

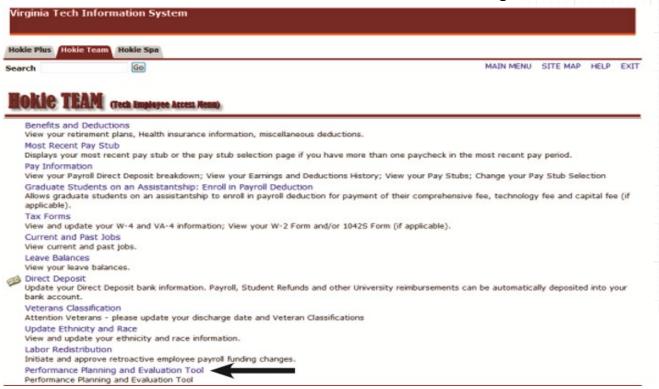

If a supervisor begins the performance evaluation process, a person who has the designee role may edit the evaluation but they will not have the access to submit the finalized version.

 Navigate to <u>https://login.vt.edu/profile/cas/login?execution=e1s1</u> and click on Login to HokieSpa. On the next screen log in with your PID and password.

### **Next Steps**

The supervisor will need to send the performance plan to the reviewer so they can edit the performance evaluation and return it back to the supervisor for approval or further modifications. A designee at any time can check the status of the performance review to make sure that the plan is finalized within the appropriate time frame.

#### Check the Status of a Performance Evaluation

- Navigate <u>https://login.vt.edu/profile/cas/login?execution=e1s1</u> and log in with your PID and password.
- 2. Click on Hokie Team.
- 3. Click on Performance Planning and Evaluation Tool.
- 4. Click on **Performance Evaluation Menu**.
- 5. Click on List Employees Where I am Defined as the Designee.

Employee Position Number	Employee Name	Plan Status	Plan Year	Alternative Employee Signoff	View Plan	View History
PBT007	Doo, Scooby D	Supervisor editing	2012		View Plan	View History
PBT008	Fisher, Stephen D	Employee reviewing	2012		View Plan	View History
PBT010	O'Hara, Virgina A	Employee approved	2012		View Plan	View History

- While the performance evaluation is being written, the status will be Supervisor Editing.
- After the supervisor sends the performance review to the reviewer, the status changes to **Evaluation Sent to Reviewer**.
- The reviewer will go through evaluation, enter final comments, and submit to Budget Authority. The status changes to **Evaluation Sent to Budget Authority.**
- After Budget Authority and/or Senior Management has reviewed all evaluations, they will be released back to the supervisor. The status will change to **Budget Authority Approved** or **Senior Management Approved**.
- The supervisor will receive an email after it has been approved and schedule a meeting with the employee to review the evaluation. The supervisor will then release the evaluation to the employee and the status will change to **Supervisor released to employee**.
- After the employee has acknowledged receipt of their performance plan, the status changes to **Employee Approved**.

Please refer to pages 25-26 for performance plan and evaluation status definitions.

### Alternative Employee Signoff

If the employee reviewed the performance evaluation and approved a paper copy, or if the employee refused to sign a paper copy, then the designee has the option to submit an **Alternative Employee Signoff.** 

- From the Performance Evaluation Menu select List of Employees Where I am Defined as the Designee.
- Click on Enter alternative signoff. This option will only appear once the evaluation has been approved by Budget Authority and/or Senior Management.
